BOARD OF DIRECTOR POSITIONS

We are seeking Board of Director candidates with governance experience and a passion for good governance, organizational development and community advocacy. We are particularly interested in recruiting women and individuals with lived experience as immigrants or newcomers to Canada.

COMMITTEE MEMBERS

We are also recruiting community members to join the Finance, Governance, or Quality Committee of our Board. Community members participate fully in Committees and have an opportunity to assess their interest in future director positions.

HOW TO APPLY

Individuals who live in Southeast Toronto and who will further strengthen the diversity of our Board of Directors and our Committees are particularly encouraged to apply.

*Please apply in writing by **April 30, 2010** and enclose a cover letter or resume outlining your relevant governance and non-profit sector experience to:*
